What is Best Nonprofits To Work For?

Best Nonprofits To Work For is a survey competition to determine which participants are the best employers. The process is managed by Best Companies Group (BCG) and winners are published by The NonProfit Times.

What is Best Companies Group (BCG)?

Best Companies Group is an independent research firm specializing in identifying and recognizing great places to work. BCG manages programs worldwide, including in the US, Canada and the UK.

Why participate?

By participating, you can find out if you are one of the country's best employers! It can also result in significant organizational benefits for entrants:

1) Heightened Company Pride. If your company appears on the list, it could improve employee morale and retention.

2) Public Relations and Marketing Advantage.

Organizations can use the distinction to enhance recruiting efforts, increase the value of general marketing and improve reputations.

3) The Employee Feedback Report:

While participation is FREE (for the online employee survey), participants can pay as little as \$690 to receive their Employee Feedback Report detailing the company's employee responses. Also included are industry employee and employer benchmarks.

Who can participate?

- Nonprofits with a 501(c)3 status*
- Organizations with a facility in the US
- Organizations with 15+ permanent employees working in the US
- Organizations in business a minimum of one year

Survey: Employees complete a survey of in-depth statements using a scale of five points ranging from "Agree Strongly" to "Disagree Strongly."
